Terms & Conditions

Insurance Premium Prediction System

1. Acceptance of Terms

- By accessing or using the Insurance Premium Prediction System (“the System”), you agree to be bound by these Terms and Conditions. If you do not agree, please do not use the System.

2. Purpose of the System

- The System is designed to provide predicted insurance premiums using machine learning models, based on user-provided information (e.g., age, health status, vehicle status, etc.).
- The predictions are estimates only.
- They do not constitute official quotes, financial advice, or binding offers from any insurance provider.

3. User Accounts

- Users must register and log in to access the System.
- You are responsible for maintaining the confidentiality of your login credentials.
- Any activity under your account will be deemed your responsibility.

4. Use of Information

- Users must provide accurate and truthful information.
- Providing false information may result in inaccurate predictions and/or suspension of your account.

5. Data Privacy

- The System stores your prediction history for your reference.
- Personal data will be handled in accordance with our Privacy Policy.

6. No Guarantee of Accuracy

- Predictions are generated using machine learning and are subject to limitations.
- The System makes no guarantees as to the accuracy, completeness, or reliability of predictions.
- Actual insurance premiums may differ significantly.

7. Limitation of Liability

- The System and its developers are not liable for any losses, damages, or decisions made based on the predicted premiums.
- Users must consult licensed insurance providers for actual quotes and policies.

8. Prohibited Use

You agree not to:

- Misuse the System for fraudulent or unlawful activities.
- Attempt to disrupt or reverse-engineer the System.
- Share, resell, or exploit the System for unauthorized commercial purposes.

9. Changes to Terms

- We reserve the right to modify these Terms at any time. Updated versions will be posted within the System, and continued use constitutes acceptance of the changes.

10. Governing Law

- These Terms shall be governed by and construed under the laws of Nepal.
